

Mayo Chaplain Services Mission Statement

The mission of Mayo Chaplain Services is to serve the spiritual needs of the Mayo Clinic community, including patients, their loved ones and Mayo Clinic staff.

Our service:

- is born of a respect for every person and for diversity of culture, belief and religious practice
- attends to the needs of the patient first
- gives witness to the spiritual dimensions of illness, suffering and healing
- cares for the soul of the institution
- promotes the personal and professional development of spiritual care—providers
- promotes an atmosphere of collegiality and cooperation among Mayo chaplains and others on the interdisciplinary team and in the broader community

The Groves Foundation Meditation Room is an interfaith space for meditation and reflection. Four universal symbols are represented in the central room: earth, wind, water and fire.
