Pastoral Care Department, University of Pennsylvania Health System (www.uphs.upenn.edu/pastoral/resed/index.html). Since 1999, John Ehman, a chaplain in the department has compiled an annual, annotated, bibliography of research about issues of interest to chaplains (Click on Spirituality and Health Bibliographies). These are excellent reference resources. John is also the Convener of the ACPE Research Network and maintains its fine website referenced above.

The HealthCare Chaplaincy, New York, NY. Resources include PlainViews and e-newsletter for chaplains and Practical Bearings, a series of bibliographies and critical reviews of the important books, articles and other publications on the theory and practice of pastoral care; five volumes are currently available (http://www.healthcarechaplaincy.org/).
