Submitting Materials

- You have a full year to submit materials but we encourage you to submit materials sooner than later.
- If you do not submit your materials by the deadline your certification will no longer be current.
- It is advantageous for you to submit your materials early in order to be notified before the end of the year regarding your renewal.

Process After Submission

- The NACC National office processes the submitted materials to ensure all required items have been submitted and requests endorsement.
- At the next scheduled review, each individual renewal is reviewed by a Certification Commissioner and the reviewing Commissioner provides their recommendation to the full Commission.
- Full commission votes on individual renewals:
  - Vote to renew certification
  - Vote to deny renewal of certification
  - Return renewal materials for further clarifications
- The Renewal of Certification notification is made 30 days after the Certification Commission meeting, pending that the NACC National Office has received your ecclesiastical endorsement.

Submission Deadlines

- Materials are due by December 31 of the year you renew (e.g. for a 2017 renewal, materials are due by December 31, 2017).
- The Certification Commission reviews materials in June, November, and Spring (of the following year).
- Review deadlines:
  - Materials received by June 30 will be reviewed at the July 2017 meeting.
  - Materials received by October 6 will be reviewed at the November 2017 meeting.
  - Materials received after October 6 will be reviewed at the Spring 2018 meeting.
- For those chaplains requiring notification prior to December 31, it will be necessary to submit your application and materials by the October 6 deadline so they can be reviewed at the November 2017 meeting.
