Certification Procedures Manual
Part One – Chaplain Certification Procedures

- CP11 NACC Chaplains are Catholics who manifest proficiency in Catholic theology and spiritual care praxis, and develop competence in the areas of Theory and Practice, Professional Identity and Conduct, Professional Practice Skills and Organizational Leadership. Certification is determined through written materials (see below, CP131.3) and an interview (in-person or virtual) in which an Interview Team assesses the Applicant's Competencies for certification. At the completion of the interview, the Interview Team recommends or does not recommend the Applicant to the Certification Commission for certification. It is the decision of the Certification Commission to certify or not to certify. The NACC encourages Applicants for certification to engage in a mentoring relationship with a NACC Certified Chaplain or NACC Certified Educator upon entering the certification process.
- CP12 Prerequisites
- 121 Full membership in the NACC (Qualification 301.QUA2).
- 122 Satisfactory completion of four (4) units (Level I or Level II) of CPE from an accredited ACPE, USCCB/CCA, or CASC/ACSS CPE center (Qualification 301.QUA4).

Letter is to be a signed original on letterhead. Current is defined as within one year of application for certification. This letter accompanies the request for ecclesiastical endorsement as a lay ecclesial health care minister requested by the NACC National Office.
- 124 The NACC National Office requests a current letter of ecclesiastical endorsement (Qualification 301.QUA1). Current is defined as within one year of application for certification. The NACC will complete the endorsement request on the Applicant's behalf. Ecclesiastical endorsement is formal approval for ministry by:

- 124.2 The major superior if the Applicant is a member of a religious order, or
- 124.3 The Ordinary (understood as the Bishop of the diocese where the priest or deacon is incardinated) if the Applicant is a diocesan priest or deacon.
- Ecclesiastical endorsement also assures NACC that any Safe Environment Training requirements (of the endorsing body) have been met by the Applicant.

- 132.2 The interview team meets to collaboratively draft the Presenter's Report Part I.
- 132.3 The Presenter prepares and makes available Presenter's Report Part I to the Applicant one (1) hour prior to the interview.
- 132.4 The interview is fifty (50) minutes in length.
- 132.5 Following the interview, the team deliberates and votes either to recommend or not to recommend the Applicant to the Certification Commission for certification. The interview team considers all written materials as well as the content and the dynamics of the interview in determining its recommendation for certification.
- 132.6 Following the deliberation process, the Applicant is provided an oral summary of the team's recommendation.
- 132.7 A written report, the Presenter's Report Part II, of this process, and the Presenter's Report Part I, are forwarded to the Certification Commission for action. In the event of a split vote (i.e. 2-1 or 1-2), the interview team must clearly define the rationale of the split vote and both points of view (recommendations for and against certification) must be fully explained in the Presenter's Report Part II.

133 Certification Commission Action

- 133.1 The Certification Commission reviews Presenter's Reports, Part I and II, and the recommendation of the interview team and determines whether the Applicant meets the Competencies for Certification of Chaplains.
