

## NATIONAL ASSOCIATION OF CATHOLIC CHAPLAINS

### BOARD CERTIFIED MEMBERS OPTIONS FOR RENEWING CERTIFICATION DUE IN 2022

1. **For a Board Certified Chaplain member who will be up for renewal of certification in 2022 and who does not plan to retire** you would continue to renew your certification utilizing the current Certification Competencies and Procedures by submitting your renewal application and materials by the deadline of December 31, 2022. If you do not submit materials by the deadline your certification status will no longer be current. In January 2023, the NACC will update their records to show the change in certification status from certified to non-certified.

This form will meet Certification Competency 306.MNT5 as it will include an Ethics Statement to be signed. Renewal of certification fee is waived.
    - Applications will be reviewed and voted upon at the next Certification Commission meeting and within 30 days of the meeting notifications will be sent.
