Required e-Learning Module and Post-Test for NACC Competency ITP4.1

*Demonstrate an understanding of
The Ethical and Religious Directives
for Catholic Health Care Services.*

To meet the requirements of NACC Competency ITP4.1, the NACC certification Applicant will complete an eLearning module followed by an eight (8) question Post-Test. The Applicant is required to score 86 percent or greater to pass the test. The Applicant may re-take the test to achieve the required score.

This ethics education resource provides important information about the meaning and application of the Ethical and Religious Directives for Catholic Health Care Services (ERDs) for the Catholic health ministry. The interactive resource features instructor Ron Hamel, Ph.D., Catholic Health Association Senior Ethicist, along with Church leaders, physicians and ministry leaders in a multipart format that addresses the General Introduction and each of the six parts of the ERDs. Components include case studies and response keys, facilitator guide, glossary of ERD terms, selected readings and media, evaluation and acknowledgments.

Accessing the eLearning Module

- Click on the link below for the introduction to the test, Terms of Use, and the link to access the Module:
