GREETING

INTRODUCTION Archbishop/Bishop may wish to introduce the celebration in these or similar words

Archbishop: Today, we celebrate a special Mass with and for all people who are sick and for those who work in the medical professions: nurses, technicians, aides, doctors, caregivers, EMT's, chaplains, hospital administrators—all who care for the sick, and all who

support their life-saving work. As we celebrate this Mass for the sick and health care professionals, we pray for, and give thanks for, all health care workers. We also pray in a special way for all the people they care for, and ask the Lord to grant healing and strength to all who are sick in mind or body.

CREED

Archbishop/Bishop:

To God, the giver of life and healer of all, let us pray.

Readers

For the Church, that we may continue the healing work of Jesus in our own time, and reach out with compassion to those who are sick in body, mind, or spirit:

For all medical professionals, caregivers, EMTs, chaplains, and all who work in health care, that they may carry out their life-saving work with wisdom and compassion:

For all who are sick, that they may have access to quality health care, regardless of their race or economic status:

For those recovering from, and those struggling with addiction, that they may feel the healing presence of God.

For all of us, that we may be instruments of peace, hope, and healing in our homes, our workplaces, and our communities:

Archbishop/Bishop:

We conclude with a prayer of blessing for all health care professionals and chaplains.

Lord our God,
through the power of the Holy Spirit
your Son healed our infirmities and diseases.
Bless + these health care professionals -
doctors and nurses, chaplains, researchers and technicians,
aides, caregivers, and emergency personnel,
and all who support them.
Strengthen them with your grace, so that,
as they serve the sick with tender charity,
they may serve Christ himself.
Through Christ our Lord. *Amen.*
