Dear Friends at NACC,

Easter Greetings! I am happy to write this letter today to offer sincere congratulations to the National Association of Catholic Chaplains on its 60th anniversary. During my time as an Episcopal Liaison to the NACC, I experienced first-hand the wonderful support provided to and the ministry offered by its chaplain members. I continue to witness it in my own archdiocese today through the work of the NACC certified chaplains providing ministry to those most in need in our hospitals.

May the Lord continue to bless the work you do for the next 60 years and beyond!

With the assurance of my prayers and every good wish, I am

Sincerely yours in Christ,

Most Reverend Paul S. Coakley
Archbishop of Oklahoma City
